9. renaturalize this cutie by drawing them with their friends in the forest.

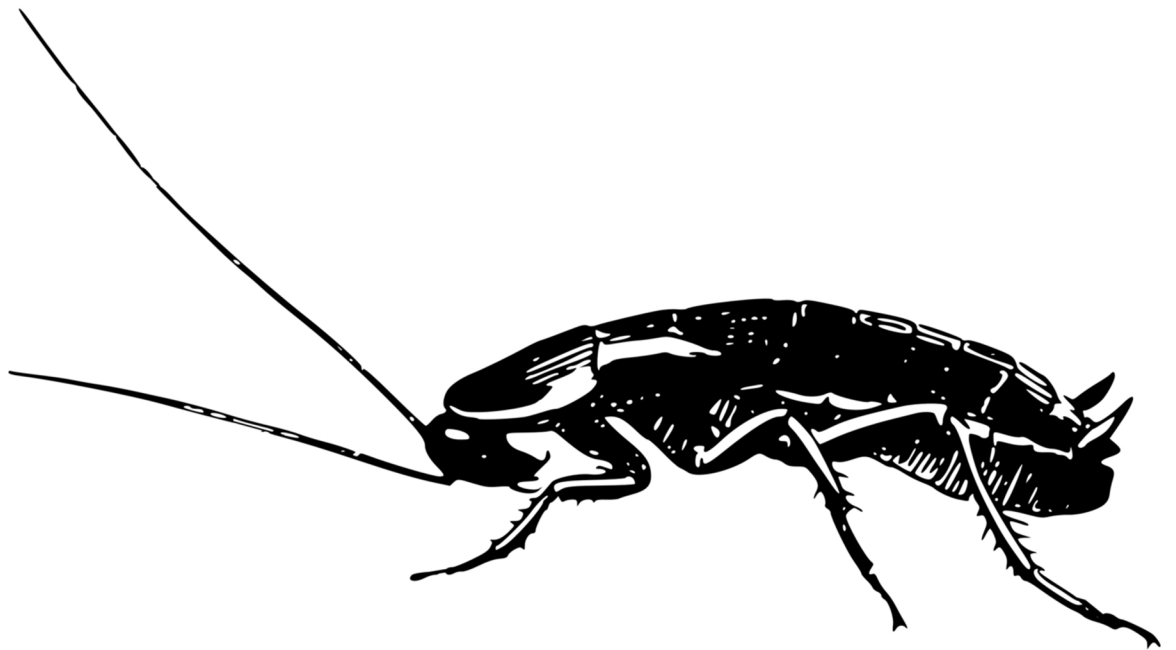

7. draw the place that this cutie goes when they are liberated from human supremacy and the human/nonhuman binary.

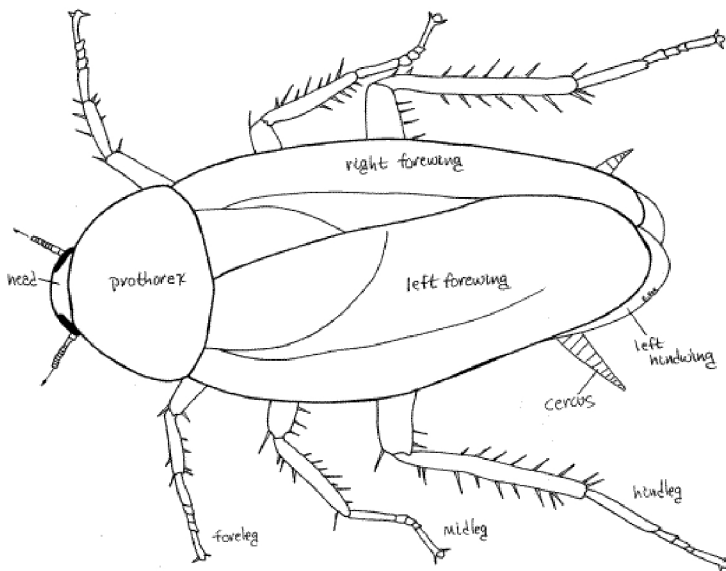

1. draw a cute outfit on this cutie.

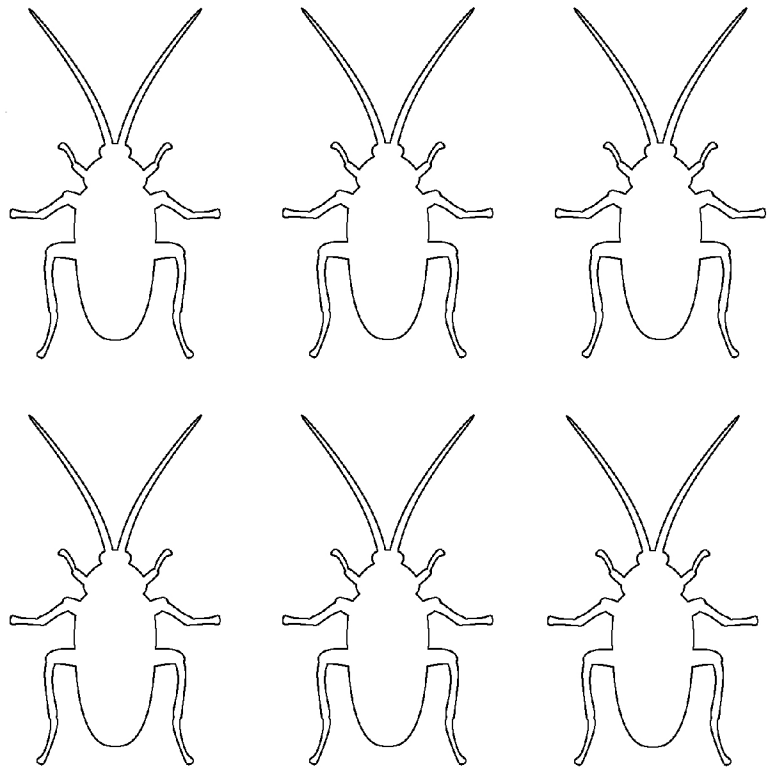

12. draw a human or a different species of nonhuman giving this cutie a hug and fostering interspecies love. do not cut here.

8. draw this cutie gorging debaucherously on your favorite foods. resist the urge to shame her for her size or her desire to eat a lot.

11. color in the body parts that you don't share with this cutie; read *Our Bodies, Ourselves* to learn about the human female body.

2. make these cuties queer by coloring them in rainbow or other non-normative cutie colors.

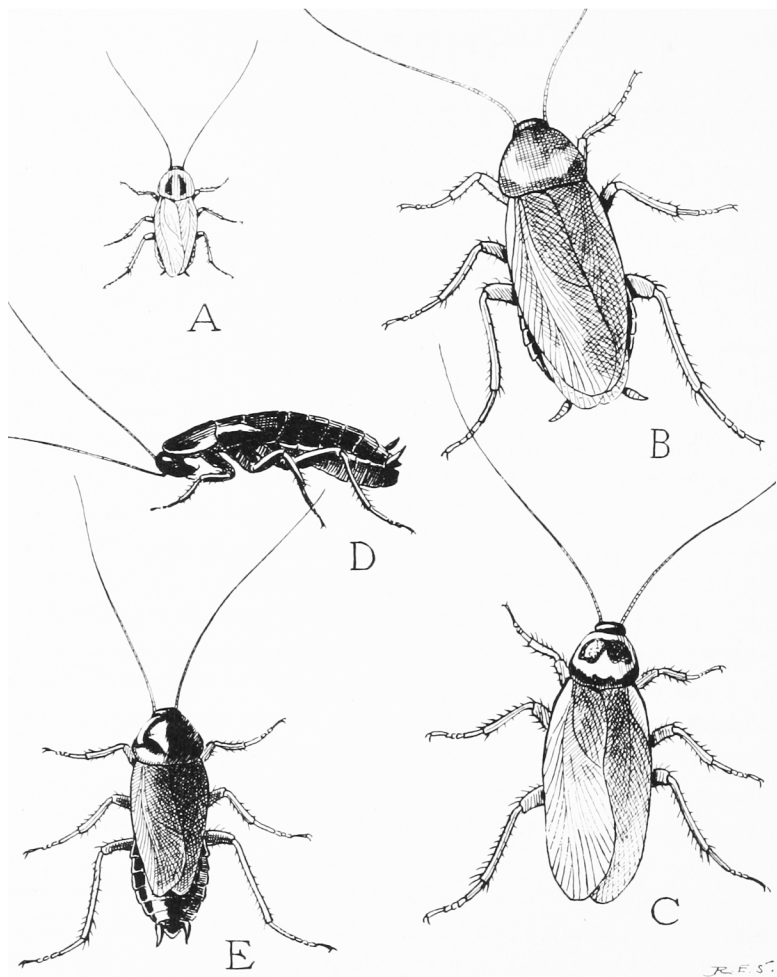

<~~~multiple choice quiz~~~>, choose A, B, C, D, or E:

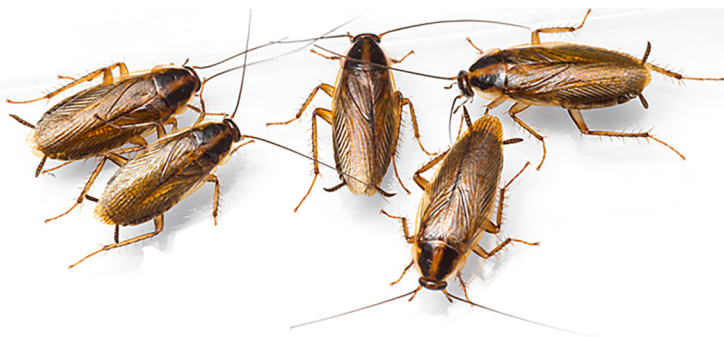

3. which cutie is your favorite?

4. which cutie do you see most often?

5. draw your own version of your favorite cutie below.

10. circle the bodily differences between male and female cuties. even though there are differences, they can still be treated equally. and, so can non-binary cuties, too.

6. make this family of cuties larger by drawing all of the cousins, aunties, gay uncles, and chosen family members.
